

Hauer Music Store has an immediate opening for a full time woodwind repair technician. Family owned and operated since 1937, Hauer Music is located in Centerville, Ohio, just minutes from downtown Dayton and services much of the Dayton and southwest Ohio area. Hauer Music maintains a large retail space and a full service repair shop that covers anything from rental instruments to full professional overhauls of band and orchestral instruments.

The repair shop is spacious with a large warehouse to accommodate a large volume of instruments, especially in summer months. There are 3-4 full time band instrument technicians as well as string and percussion technicians located within the sales department.

Basic responsibilities include but are not limited to:

- Maintenance of student rental fleet and store stock instruments for sale
- Working one on one with walk in customers and taking repair related phone calls
- General shop maintenance and cleaning
- Customer service interactions
- Ability to do a wide range of repairs from basic student and school instruments to high end overhauls where applicable

Desired skills, but not required, may include any of the following:

- Brass and string repairs as needed
- Woodwind body repairs (socket and tenon replacements, crack repair, tenon sleeves, etc,)
- Machining and fabrication abilities
- Double reed specialty
- Straubinger or other high end flute certifications
- Performance experience on any woodwind instruments

Any may apply but preference would be for a repair school graduate or a technician with at least 2 years experience. Competitive pay based on experience as well as full time benefits such as health insurance, paid vacation, sick days, and holidays.

If interested, please reach out to Gary Dafler (shop manager) at (937) 222-2815
